

Sorry I missed you! Stopped by to pick up my yard sign, and Dave at Maximum Printing offered Star a slice of the bacon-topped pizza he was eating, but Star took one sniff and sneezed! Maybe he is allergic to cheese?! I decided to get Star out of there before he sneezed all over their printing, so we are heading over to a shop on Mochel to buy some Earl Gray to start my day tomorrow. I'll leave you a note if I go anywhere else!

A full-service Downers Grove printer, providing all print, design and finishing services from large format tradeshow displays to a quick copy.
